

What We Do

Our Society's members continue to pursue activities and programmes which ensure that we remain relevant and resourceful in an ever-changing time and climate.

We are proud to carry on the vision a few gardeners had in 1914 - that of a Horticultural Society which would promote, and contribute to, the beautification of the Thornhill community.

2020

Thornhill Garden & Horticultural Society

Beautifying Thornhill

Since 1914

Who We Are

Our members have a common interest in gardening and the greening of our community through horticultural activities.

We enhance the beauty of Thornhill by:

>> Planting and maintaining plants, shrubs and flowers at several community beautification locations.

>> Holding monthly meetings with expert guest speakers and flower shows where our members and guests can share ideas, broaden their horticultural knowledge and find answers to their gardening questions.

>> Having community plant sales, the Thornhill Front Garden Recognition Programme and an Annual Garden Tour.

Support is also given to the TUC Community Garden and the Richard A. Jarrell Memorial Garden at the Thornhill Village Library.

Bursaries are provided to Thornhill students enrolled in post-secondary studies related to Horticulture or Environmental Sciences.

2020 Activities

All General Meetings are held the 3rd Wednesday of each month (except August, November and December) at 7:30 pm at the Thornhill Community Centre (TCC). "Social" time from 7:00 pm.

Flower Shows are held concurrently with the General Meetings in June and July.

Dates to be announced regarding the planting and maintaining of several Community Beautification sites including the Percy Bone Parkette, Bayview / John (southwest corner), Annswell Park, the gardens of the Robert West Heritage House and the outdoor planters at the Shops on Steeles & 404.

January 15 - Annual General Meeting

May 9 - Spring Plant Sale at the TCC
